25X1A

2. During my visit to California, I discussed with [REDACTED] and his auditor assigned to the Hycon account the proposed [REDACTED]. The consensus of opinion was that the [REDACTED] was acceptable.

3. Please advise this office as a matter of record only if the overseas differential as claimed in the enclosure is correct.

25X1A

4. Representatives of the Company were verbally advised that the G&A rate of [REDACTED] was acceptable. The Company has submitted billings for overseas differential and will now submit adjusted billings based on the final G&A rate.
